

EVOLVE REINVENTION COLLECTIVE

Exploring a return to work after a break? Changing directions in your career? Starting a new venture?
Don't know where to begin?

Jumpstart the process with a community of your peers and get ready for your 2020 career Evolution.
Gain the mindsets, tools, resources and community necessary for mid-career reinvention with our
immersive year-round Collective experience.

What's unique about the Evolve experience? Collective members grow by sharing, practicing and modeling skills with each other in real-time. The Collective approach integrates both personal and professional growth, drawing from the diverse fields of career development, psychology, wellness, business, and leadership. Evolve engages experienced women across various industries and expertise.
